KA-POW! – is a series of short and lively activities designed to motivate and energize

Ignite the fuse - and KA-POW!
Facilitators will transform an anonymous gathering into a POWERFUL TEAM environment.

KA-POW! is an effective format to Kick-start a large gathering and set a theme and tone for the sessions to follow. The general approach is to combine relationship building and teamwork skills.

The program involves fast paced activities that combine getting to know you ice breakers with a series of quick problem solving activities promoting effective teamwork.

Small teams are typically reformulated several times during program so participants meet and interact with many others during the program.

Experienced facilitator's know the nuances of holding a group's attention, keeping the energy high, injecting good humor, and encouraging learning from one another. We make sure everything is safe and appropriate for the particular audience and location.

Common activity themes:

- Taking initiative
- Creativity
- Effective problem solving
- Learning and sharing what we learn, and

- Encouraging and acknowledging each other's achievements

Activity names give a hint as to what goes on. Here is a sampling: Listening claps, Scar stories, Double Super Secret Handshake, Tiny Teach, Try and Find Yourself, Commonalities, Advanced Simon Says, A Pirate's Life, Cheerleader, and People Machines.

We have dozens of activities to select from to develop a mix that keeps the session lively and attention-grabbing while connecting to your theme and objectives.

Program Characteristics:

- **Size:** Groups with from 20 to 200 or more
- **Length:** 30 minutes to 2 hours
- **Location:** can be done indoors or outside
- **Format:** Activities will be selected to fit your theme and objectives. Can include some **Strings & Strands** activities in longer programs.

Experiences to develop great relationships: Team Craft has many experiential programs and workshops that develop teamwork, communication skills, and healthy relationships. Visit our website at teamcraft.com
