

TEAM CRAFT®

# MEGA TEAMS TOURNAMENT

A TEAM CRAFT TEAM BUILDING PROGRAM

Most everyone enjoys a contest, especially when its filled with suspense around being the most creative, clever, and witty team in the room. Great team organization skills and collective sparks of brilliance will be demonstrated by the most entertaining and successful teams in our Mega Teams Tournament. These competitions leave everyone refreshed and enthusiastic about great teamwork.

During a Mega Teams Tournament company teams enjoy fun activities involving both competitive and collaborative skills. The program can run from 3 to 8 hours and involve dozens of teams. The more participants, the more fun and entertaining the festivities. If you have from 60 to 260 people or more, all will be fully engaged in this fast paced series of clever challenges.

Participants are assigned to a team with up a dozen participants, which is part of a larger multi-Mega Team devised for the program. Scores are kept of each

team's performance in a series of activities. Depending on the challenge, success requires collaboration with some teams and competition with others. Figuring out a winning strategy is part of each team's challenge from the outset.

There are a wide range of both indoor and outdoor activities to select from. These include customized company oriented word puzzles: crossword, word search, anagrams, and word jumbles. Your corporate identity - product names, slogans, culture elements, technical knowledge - are woven into these challenges to reinforce a general theme or important point for your gathering.

A debrief at the end of the session encourages discussion of the program message: that we all need to know when and who to compete with and when and how to collaborate, and to do both well to win the big game together.

At the conclusion, an "awards" ceremony recognizes teams with the

highest scores. Team Craft facilitators draw out participant insights on winning strategies and great results.

A Mega Teams Tournament is sure to be a great jump-start, re-energizer, or grand finale event to compliment a schedule of more cerebral meetings. Contact us today to arrange a program for your next large gathering.
